

**ANTI-MONEY LAUNDERING AND
COMBATING THE FINANCING OF TERRORISM POLICY
PT Elang Mahkota Teknologi Tbk
("Company")**

Money laundering is an attempt to hide or disguise the origin of property that is obtained as the result of a criminal act, which can be conducted in many ways, to make such property to be difficult to be traced by law enforcement officials so that such property could be freely utilized whether it is for legal or illegal activities, that has been regulated in Law Number 8 of 2010 on the Prevention and Eradication of Money Laundering as may be amended from time to time and its implementing regulations.

Financing of Terrorism is any act in order to provide, collect, give, or lend funds, either directly or indirectly, with the intention to be used and / or known to be used to carry out terrorist activities, terrorist organizations or terrorists, as referred in Law No. 9 of 2013 on the Prevention and Eradication of Terrorism Financing as may be amended from time to time and its implementing regulations.

Anti-Money Laundering and Combating the Financing of Terrorism Policy is the prevention and eradication of money laundering and terrorism financing. The implementation of this policy in the EMTEK Group include: an adequate understanding of consumers and target markets; implementation of appropriate analyzes on consumers and target markets, products, as well as any entity; active monitoring held by the management, internal control, human resources and training that can be applied through a screening procedure in the hiring of new workers (pre employee screening), and monitoring the worker's profile, and setting up continuous training in order to raise awareness of the worker's responsibility to prevent any money laundering or terrorism financing.

Breach of Anti-Money Laundering and Combating the Financing of Terrorism Policy

Any deviation, failure or breach of the Policy, shall be sanctioned in accordance with the Company Regulation and can be penalized under the prevailing laws and regulations, either under the provisions of the criminal law or the civil law.

In the event any serious breach of this Policy, then anyone who did and committed such serious breach is willing to resign voluntarily.
