

EMTEK Named Leading Technology Sector at CSA Awards 2024, Driving Adaptation and Sustainability in Capital Markets

EMTEK RECEIVES CSA AWARDS 2024 AS WINNER OF THE BEST TECHNOLOGY SECTOR ON THE MAIN BOARD

Indonesia Stock Exchange
31 October 2024

Jakarta, 31 October 2024 – PT Elang Mahkota Teknologi Tbk (IDX Ticker: EMTK, “**EMTEK**”) has once again earned distinguished recognition, securing the title of **Best Technology Sector on the IDX Main Board** at the prestigious **CSA Awards 2024**. Hosted by the Indonesian Association of Securities Analysts (“**AAEI**”) and CSA Community, this award honors companies that have consistently demonstrated positive performance in Indonesia’s capital market.

The award ceremony, held at the Main Hall of the Indonesia Stock Exchange, carried the theme “Indonesia’s Capital Market: Adapting and Evolving in Global Economic Changes.” The theme underscores the global economic challenges facing Indonesia’s capital market and highlights the critical role of adaptation and innovation by market leaders in responding to these shifts. This achievement reaffirms EMTEK’s ability to swiftly, effectively, and sustainably adapt to maintain a leading position amidst a dynamic and challenging market landscape.

The rigorous selection process was led by an independent panel of ten esteemed professionals and academics, including Prof. Ir. **Roy H.M. Sembel**, MBA., PhD., CSA, CIB; Prof. Dr. **Budi Frensidy**, CSA, CRP, CIB, CPA; Prof. **Eduardus Tandelilin**, MBA., PhD., CSA; Prof. Dr. **Chandra Wijaya**, M.Si., M.M., CA, CSA, CRP, CIB, QRGP, CERG; Prof. **Iman Harymawan**, S.E., MBA., PhD; Dr. **David Sutyanto**, CSA, CES; and Dr. **Yohanis Hans Kwee**, M.E., CSA, CRP, CIB, CTAD, PFM, FMVA. The judges evaluated 121 nominees from a total of 934 listed companies on the Indonesia Stock Exchange, focusing on six main criteria: future profitability, shareholder transparency, Good Corporate Governance (“**GCG**”), stock liquidity, risk management, and Environment, Social, and Governance (“**ESG**”) performance.

“The positive performance that EMTEK has achieved reflects our consistent implementation of GCG principles, effective risk management, and continuous dedication to implementing ESG initiatives. We strive to consistently contribute positively to the advancement of Indonesia’s capital market, while prioritizing sustainability principles across every business process,” said Titi Maria Rusli - Legal Director and Corporate Secretary of EMTEK.

This award solidifies EMTEK’s position as a proactive leader in the technology industry, committed to navigating the challenges of the global economy through innovation and sustainable adaptation. EMTEK remains dedicated to prioritizing sustainability in every facet of its business, aligning with its long-term vision to create enduring value for shareholders and stakeholders while supporting Indonesia’s economic development.

This accolade not only celebrates EMTEK’s strong performance to date but also fuels the company’s mission to be an ongoing advocate for sustainability and robust governance practices, ensuring a healthy and impactful business trajectory for the future.
